Florida City Elementary School
Summer Reading Plan

www.floridacityes.com
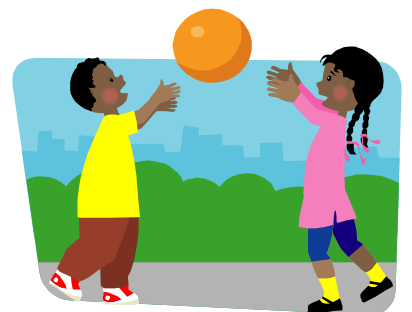

read.dadeschools.net

Dear Parent/Guardian:

It is our goal at Florida City Elementary School to provide your child with a quality education. The purpose of a Summer Learning Plan is to have your child experience quality reading experiences while school is out for summer break. Attached you will find appropriate grade-level materials and important websites to access books and activities. The activities are used to reflect different learning styles and high-order thinking skills. As with any activity, we encourage you to participate with your child and make this summer learning experience fun and enjoyable for the whole family.

Please read through the entire reading packet for information regarding the Summer Learning Plan.

If you have any questions or concerns, please contact your child's teacher.

Sincerely,

Instructional Support Team
Florida City Elementary School
